**Agency Relationships\* & In-Service Training\*\***

- \* Agency Relationships with a Begin Date or End Date of 01/01/2000 are the result of a "Baseline Reporting" conducted in 1999. This was a verification with law enforcement agencies of their current officer rosters. Officers no longer appearing on the agency roster were defaulted to this date. To correct the dates please have that agency send the proper information on department letterhead to the MCOLES Licensing Services Section at 927 Centennial Way, P.O. Box 30633, Lansing MI 48909 or by fax to 517-636-7886.
- \*\* In-Service Training courses are listed only if both (a) the training was registered with MCOLES and (b) the Training Provider reported officers' attendance at the training. Courses are listed under the respective agency for which the officer was employed at that time, or that agency reported to the Training Provider as sponsoring attendance at the training. Courses listed under Other In-Service Training are those attended for which the officer was not reported as being employed as a law enforcement officer at that time, or where no agency was submitted to the Training Provider as sponsoring attendance at the training. If training courses that an officer attended do not appear on the list or if the information is incorrect, the officer should contact the respective Training Provider directly.
